Subject: Online Awareness Programme for Students and faculty on Confederation of Indian Industry (CII) Industrial Proficiency Aptitude Test (iPATE) - 21st Sep 2021 (Tuesday) from 1100 hrs onwards - Reg

To: <nalbaripolytechnic@gmail.com>

Dear Sir / Madam,

Greetings of the day from AICTE.

Confederation of Indian Industry (CII) has been taking various initiatives, policy recommendations & projects towards creating an industry-ready workforce. To objectively measure the industry readiness of engineering graduates, CII has launched the Industrial Proficiency Aptitude Test (iPATE). This is a unique assessment test of industrial aptitude of engineers. This test examines the students core engineering skills from a practical / user perspective and provides them a certification.

The CII iPATE 1.0, which was conducted last year, was very successful with more than 12,000 students taking the test and numerous companies referred to the scores (as one of the parameters for assessing industry readiness of candidates) during their recruitment process. The CII iPATE 2.0 examination is likely to be held in December 2021.

In this context, AICTE & CII will be jointly organising an awareness programme on 21st September 2021 from 1100 hrs. onwards covering various aspects of iPATE 2.0. Interested students & faculty members may register themselves, latest by 1400 hrs. of 20th Sep 2021 vide the Google Form at the following link:

<https://forms.gle/Z9mMp28vvCJkY4X7>

The above link may kindly be shared with the students / faculty members of your institution pl.

Webex link for the awareness programme will be emailed to the registered participants by 1700 hrs. on 20th Sep 2021.

Looking forward to your kind participation in the above awareness programme please.

सादर धन्यवाद / With Kind Regards
